

# WE WANT TO PRAY FOR YOUR SOLDIER

The Sarver Brethren Church is developing a prayer list of military personnel from our area.

This prayer list is for anyone in the military and their families regardless of religious affiliation.

If you or your soldier do not have a church, we want to offer you our prayers and the loving support of our church family.

Even if you and your soldier have a church, please feel free to add them to our prayer list.

If you know someone in the Armed Forces and you would like us to pray for them and their family, please fill in the form below and mail it to us. Each name will be given to an individual in our church who has volunteered to pray daily for "your soldier".
